

INFORMATION DOCUMENT REGARDING DATA PROCESSING – DATA ACT

Brand: EcoFlow

EAN: 4895251643801

Product name: EcoFlow STREAM Pro 800W

- Data generated by the device:

Device Network Information:

Wi-Fi SSID

Wi-Fi signal strength

Bluetooth data

IP address

MAC address

Device Information:

Device name

Serial number

Operating system version information

Device Data:

Electrical metrics: voltage, current, power, frequency

Battery metrics: state of charge (SoC), charging/discharging values

Environmental metrics: temperature readings from different
modules

- Data format:

Wi-Fi SSID string

Wi-Fi signal strength number

Bluetooth data string

IP address string

MAC address string

Device Information

Device name string

Serial number string

Operating system version information string

Electrical metrics (voltage, current, power, frequency) number

Battery metrics (state of charge, charging/discharging values)
number

Environmental metrics (temperature readings from different
modules) number

- Estimated data size:

real-time

- Data is generated continuously and in real time:

5MB/per day

- Data storage location:

remote server

- Retention period on the remote server:

Cloud Server AWS EU, 15 years (if the user does not Delete account),
access via API

- Method of accessing the data/Method of downloading the
data/Method of deleting the data:

Access: Contact Privacy Team via email or check in the App/official
website

Download: Contact Privacy Team via email

Deletion: Contact Privacy Team via email
